## Wildlife Volume 1

My name is Pat and I am a fishaholic. I think I have always had a fishing problem. Looking back I guess fishing has affected my schooling, jobs, family, and stuff. I just never knew how much until the day I couldn't fish. Fishing is a disease. The more you fish, the more you have to fish until the only way to fish as much as you have to is to be a millionaire or a fishing guide. I am a fishing guide.

## The Fisherman's Prayer

This collection of stories includes, The Olympic Peninsula Retirement Guide, How Fishing Laws are Made and The Fisherman's Prayer. Based on the Lord's Prayer given to us by Jesus 2000 years ago, the Fisherman's Prayer has been reformulated for today's tough fishing conditions. Works on all species in fresh and salt water. Do not go fishing without a prayer.
